COMMISSIONERS' REPORT

To the Citizens of Hillsborough County:

In accordance with the Public Laws of the State of New Hampshire, the County Commissioners submit their annual report for the year ending December 31, 1939, together with the reports of the County Treasurer, Clerk of Court, County Solicitor, Sheriff, Jailer, County Farm Superintendent, County Hospital Superintendent, County Physicians, Hospital Report, Chaplains, County Extension Service, the meetings of the delegations, and County Auditors, which we submit for your attention and consideration.

The County delegation approved the budget for the year on a pay as you go basis. This was in keeping with the recommendation made by the Commissioners. Most of the departments were able to stay within the budget requirements, several showing unexpended balances. Reductions were made in several departments over 1938.

Welfare activities continue to be the major expense in County Government. The various categories of Welfare called for expenditures of approximately a million dollars, not including County Hospital, County Farm, and County Jail which require an expenditure of approximately two hundred and nine thousand dollars for the year, but showed a reduction of approximately fifteen thousand dollars over the previous year.

A number of needed improvements were made at the County Hospital and Farm adding greatly to the comfort of the patients and inmates. Labor and materials for these improvements were furnished through a W. P. A. Project. The County furnished 25 per cent for the materials used on the project improvements.

Your County Hospital is of great benefit to the sick of this County who are unable to go to private hospitals.

We try to maintain the hospital with standards comparable to other hospitals in the State and County.

A training school for nurses is maintained under the supervision and requirements of the State Board of Education.

The medical staff consists of approximately fifty doctors.

Miss Addie M. Moore is the Superintendent, and continues to fill this position in a very efficient manner.

On the farm side, the care and needs of inmates have had our careful consideration, and we have noted numerous improvements in their care.

Mr. Thomas Largy is the Superintendent of the Farm with Mrs. Largy as Matron. Mr. Largy on the farm side, and Miss Moore at the hospital, have been very helpful to the Commissioners throughout the year, and the co-operation has been excellent.

The renovated heating plant was completed during the year at the Farm, and has proven very efficient, and a saving in fuel consumption over the old system. We mention the heating plant in the numerous repairs as it was a big undertaking considering the inefficient heating system that was replaced. Zone control temperatures heat both farm and hospital with desired temperatures adding greatly to the comfort of both the farm and hospital.

Hospital floors throughout are covered with linoleum adding greatly to the appearance and sanitation.

Hospital porches have been made permanent, and are in use to bed patients the year round.

Thomas O'Brien as jailer, and Mrs. Annie O'Dowd as matron, care for the County Jail in a very efficient manner.

We wish to thank all the doctors and surgeons for the service they have rendered to the sick of our institutions.

The Commissioners in the administration of your affairs have tried to serve all the people to the best of their ability bearing in mind the cost to the taxpayers. We extend a cordial invitation to the citizens to visit the farm and hospital.

The Commissioners wish to express their thanks to all Federal and State Officials, Mayors of Manchester and Nashua, Commissioner of Charities, Selectmen of the towns, Overseers of the Poor, and private and public agencies who have assisted us in our duties in serving the public of their county.

JOSEPH E. HURLEY, *Chairman*
 GEORGE J. GINGRAS,
 WALTER J. RICHARD,
 HONORE E. BOUTHILLIER, *Clerk.*

County Commissioners.

RECORDS OF COUNTY DELEGATION

The Hillsborough County Delegation in the 1939 Session of the Legislature, met in Section 1, Legislative Hall, State House, Concord, N. H., for the purpose of organization, on Tuesday, February 7, 1939, immediately after the morning session at 12 M.

The meeting was called to order by the Clerk of the Delegation of 1937.

The first business was the selection of a Chairman and the nominations of William Booth of Manchester, and Rudolph Cormier of Nashua, were placed before the delegation. After a written ballot, Mr. Booth having the largest number of votes, was declared elected permanent chairman of the 1939 delegation.

Mr. Wadleigh of Milford, then placed the nomination of Mabel T. Cooper of Nashua as Clerk, and there being no other nominations, Mrs. Cooper was unanimously elected clerk of the 1939 delegation.

There being no further business the meeting adjourned.

MABEL T. COOPER,
Clerk of the Delegation.

The Executive Committee of Hillsborough County Delegation, consisting of the Chairman, William J. Booth of Manchester, Joseph J. Betley and Edward Broulliette of Manchester, Frank H. Peasley of Weare and Mabel T. Cooper of Nashua, met with the County Commissioners at the farm for the purpose of considering the budget of the county for the next two years.

Meeting was called to order by the Chairman Mr. Booth, and the Clerk called the roll which showed all members present. The Treasurer of the County, Mr. Duval was also present.

The Chairman of the Hillsborough County Commissioners, Mr. Hurley, explained in detail item by item, the

budget as it had been prepared by the Commissioners and explained the increase called for, by saying that it was the Relief Program that necessitated the demand for more money. Dr. Caron, Mayor of Manchester, came before the Committee opposing any further bond issue for the county this year. He suggested that the state should be asked to contribute something like 50 per cent of the relief cost for the next two years. He also suggested other taxes might be raised on liquor or tobacco to help relieve the tax burden of the county. He further stated that as Manchester is paying about 57 per cent of the county expenses they were vitally concerned and alarmed about any increase in the budget for this year.

It was stated that the Federal Government would probably donate some \$63,000.00 for further repairs at the farm if the county Delegation would authorize an appropriation of \$25,000.00 for the same project, the repairs at the farm.

It was also stated that there were needed repairs at the Nashua Court House which were estimated would cost in the vicinity of \$4,800.00.

It was voted to hold the Hillsborough County Delegation Meeting, Monday, April 17, 1939.

A splendid dinner was served by the superintendent at the farm.

After fully considering the budget, the meeting adjourned at 4 p. m.

Respectfully submitted,

MABEL T. COOPER,

Clerk of the Executive Committee.

Meeting of the Hillsborough County Delegation was held at the County Farm in Grasmere, Monday, April 17, 1939.

After a delicious dinner served by the Superintendent and Mrs. Largy, the meeting was called to order by the Chairman, Mr. William J. Booth of Manchester. The Clerk, Mrs. Cooper of Nashua, called the roll which

showed 84 members present and several guests, including the Mayor of Manchester, Mr. Caron, and the Mayor of Nashua, Mr. Lemay.

The chairman stated the purpose of the meeting which was that of considering the proposed budgets for 1939-1940, after which he called upon the Chairman of the County Commissioners, Mr. Joseph Hurley, to explain it which he did in detail. Mr. Hurley said that the budget had been very carefully prepared after due consideration of existing conditions. The poor-off-the-farm, he stated, has remained practically the same for the last four years, but in view of the Settlement Law, which became effective July 1, 1938, we anticipate that somewhere about 350 more cases will be transferred to the care of the county, and if this be true it will necessarily mean an extra appropriation needed for the care of the poor-off-the-farm item. Mr. Hurley further stated that conditions in every county in the state are, and he believed must be, responsibility of the state, and that they should be asked to assist the taxpayers in some way to relieve the real estate taxpayer. "We have reached the peak," said Mr. Hurley, "and until some new source of revenue is provided the taxpayers cannot absorb this ever mounting increase. It not only affects the taxpayers, but it is equally as hard a burden on the renters as well, as I can see no way but what rents will have to be advanced."

He then went over the budget item by item as far as income and expenditures are concerned, and answered questions which were asked by the members. He said that there were needed repairs at the Nashua Court House and that a special appropriation should be made for this purpose, which would provide new venetian blinds, and repairing the floor coverings. The estimate of repairs for the Nashua Court House for the next two years would be about \$4,600.00.

Mr. Hurley also stated that the Farm Bureau had asked for an additional appropriation of \$1,000.00 for their work.

After considering this item at length Mr. Cormier arose to offer a motion to take care of this item, but the Chair ruled him out of order. Mr. Hurley further explained what the abolishing of the state tax would mean if the proposed legislation was passed in this session of the Legislature, which would levy a tax on tobacco products. He pointed out that our most serious concern should be to find some way of raising more revenue which would be available for county use. In answer to a question as to how many county investigators we now have in Hillsborough County, Mr. Hurley replied fourteen. Question was asked as to what per cent of the total valuation could be borrowed and Mr. Hurley's reply was five per cent.

Mr. Hurley wished to be placed on record as opposing any bond issues for the next biennium.

Mayor Caron was then called upon, and stated that as long as Manchester paid 57 per cent of the county tax he was alarmed over the present serious financial conditions existing in the county. He stated that he had taken this opportunity of coming to the meeting to meet the Representatives, and that he had listened with interest to the explanation of the 1939-1940 budget as presented by the Commissioners, and that he was not surprised. "I am aware," said Mayor Caron, "of the ever increasing burden of relief, and am especially interested in the expenses of the county. I am opposed to any more bond issues for the county because it impairs the borrowing conditions of Manchester." He suggested that we ask the State for aid. The only way possible we have in raising money is the property tax—no other way for cities and towns to collect taxes. He expressed the hope that the state would find some way of sharing this very heavy burden of relief cost with the counties.

Mr. Lemay, Mayor of Nashua, was then called upon and stated that he had been Mayor of Nashua but a short time, but that he was pleased to have the opportunity of inspecting the county buildings, and said that he thought

they were in splendid condition. He said he would do all in his power to reduce the taxes in the city of Nashua, and hoped that the county taxes would not have to be increased to any great extent. He would favor another bond issue during these trying times if it seemed advisable so as to keep the county tax down. He said he was very much opposed to a fiscal agent for this county as had been done in another county, thinking that this would abolish the county commissioners, and that he thought they were trying to look after the county affairs in a good manner.

Mr. Hurley stated that since 1935 when he became Chairman of the Hillsborough County Commissioners he had been delegated to prepare and submit the budgets. He said that conditions have continued to improve since then and are still improving and he could see no reason for a fiscal agent in this county at this time. Mr. Hurley stated that the project for works at the farm must now be re-written, and that an appropriation of \$25,000.00 must be made if we are to receive from the Federal Government the \$63,000.00 which the project calls for.

Mr. Wadleigh of Milford stated that he hoped the cigarette tax and tobacco tax as proposed by Gov. Murphy would be passed.

Mr. Brouthillier of the County Commission was called upon, and said that he was glad to be present, and that he had promised to work for the best interests of the taxpayers, and that he should continue so to do, and try always to do the right thing.

Mr. Richards, the newly elected Commissioner from Manchester, was then called upon, and said that he planned to co-operate with the other commissioners, and to try and help keep expenses down. He suggested we might well put a small additional tax on liquors.

The Chairman, Mr. Booth, said he would now entertain the motion of the member from Nashua, Mr. Cormier, whom he had previously ruled out of order. Representative Cormier then moved that we allocate the amount

asked for by the Farm Bureau of \$7,500.00 so that they can continue their work in the county, motion was seconded by Representative Hambleton of Goffstown and carried.

Mr. Largy, Superintendent of the Farm, was called upon, and explained in detail just what the proposed Federal Project would do at the farm, stating that the project for repairs and alterations was started last fall, and that if it was to be finished this amount of \$25,000 asked for of the county would be absolutely necessary. It was moved by Representative Cormier, seconded by Representative Gage, that we authorize the continuance of the project until our next meeting. Motion was carried.

Mayor Caron expressed the hope that we finish the work started, but seemed opposed to building a dining room for the nurses in the basement of the hospital.

Mr. Betley of Manchester suggested that we try and cut \$50,000 from the budget of off-the-farm relief item.

No formal action was taken on the proposed budget at this meeting except as herein stated.

Motion to adjourn was made by Representative Wedick of Manchester, which was seconded and carried.

Adjourned at 3:15 P. M.

MABEL T. COOPER,
Clerk of the Delegation.

Concord, N. H., June 15, 1939

Meeting of Hillsborough County Delegation was held in Room 217, State House, Concord, N. H., at 1 P. M.

Chairman William J. Booth called the meeting to order and stated the purpose of the meeting was to consider the advisability of issuing bonds for the next two years 1939-1940. He stated that he had an enabling act drawn up and that he would present it if it was the wish of the delegation, which would enable us to borrow on bonds for

the next two years, \$300,000 or \$200,000 as the delegation decided.

Mr. Cormier asked for a roll call which showed 57 members present, which is not a quorum for legal action.

The Clerk stated that no legal action as to borrowing money could be taken by the delegation without a quorum being present.

Representative Fred Wadleigh suggested that this was a serious matter and that we adjourn until Friday the 16th when we would try and have a quorum present.

Mr. Myhaver moved that we take a consensus of opinion about the advisability of issuing bonds for the next two years, seconded by Representative Gilmartin, but no action was taken on the motion.

Representative Barnard moved adjournment until Friday, June 16, at 11 A. M. Motion prevailed.

MABEL T. COOPER;

Clerk, Hillsborough County Delegation.

Concord, N. H., June 16, 1939

Meeting of the Hillsborough County Delegation was held in Room 317, Friday morning, June 16th, at 11 A. M.

Meeting was called to order by the Chairman, Mr. Booth. Mr. Wadleigh immediately introduced Mayor Caron of Manchester, and suggested that the Mayor be given a chance to express his views on the matter of issuing bonds so that he could be excused as he was in a hurry to return to Manchester. Mayor Caron said that he had been decidedly against issuing bonds, but that as long as no welfare bill had been presented which would give relief to Manchester that he felt the issuing of bonds would be the only safe way to take care of the situation. He feared without a bond issue that the tax rate in Manchester might go up \$3.00 or more. He said he thought it a necessity for Manchester as they could not stand any increase in the tax rate.

Mr. Hurley, Chairman of the Commissioners, was called upon and explained the budget and said that he had been

against issuing any further bonds for the county, but that the financial condition of the county was in a serious condition and that probably issuing bonds for the next two years would give relief.

The city of Manchester, he says, pays 57 per cent of the county tax, and Nashua 22 per cent, and the county towns the remainder. Commissioner Richards expressed the opinion that the issuing of bonds was probably the only solution at the present time. Commissioner Bouthillier was called upon but made no remarks.

A roll call showed 64 members present.

Representative Wadleigh said we must adopt some kind of a budget during the session of the legislature.

Representative Smith of Hudson moved that a bond issue be made of \$200,000 for the next two years, 1939-1940. Seconded by Representative Lougee of Nashua. Motion discussed by Representatives Bass, Myhaver, Cormier, Dwyer, Wadleigh.

Mr. Smith in defending his motion stated that if the bonds were not issued the tax rates would be materially increased. Representative Wadleigh stated that our constituents are opposed to any more bond issues, and offered an amendment to the prevailing motion that the amount of the bonds to be issued for the next two years would be \$150,000. Opposition arose by Representatives Smith and Wilcox of Nashua.

The amendment was discussed. Representative Gage of Manchester spoke for the bond issue, Representative Tuttle against, and Representative St. Francois for. Representative Smith asked for the previous question. Motion to adopt the amendment was lost.

Representative Peaslee stated he was against any more bond issues. The Smith motion was carried by a majority of those present. Meeting adjourned until the afternoon when another meeting would be held to further consider the proposed budget.

MABEL T. COOPER,
Clerk, Hillsborough County Delegation.

SUPERINTENDENT'S REPORT

To the Honorable Board of County Commissioners:

GENTLEMEN :

During the entire year of 1939, we have endeavored to operate the institution with all possible economy, consistent with good management. We have done this in accordance with your instructions at the beginning of the year and your constant cooperation throughout the year. We are happy to say that we have been able to make a substantial reduction in the per capita cost from the year previous. We believe we have the lowest per capita cost of any county or state institution in New Hampshire and at the same time, we have maintained a standard of service which we believe to be as high as that of any public institution.

We are in sympathy with the objective of many of the tax payers; that new construction unless essential, should not be undertaken in these difficult times. At the same time, we deem it poor economy to allow our buildings to deteriorate from lack of proper upkeep.

In our nearly three years of service, we have been trying to make up for repairs that should have been made years ago when the tax situation was not acute as it is today. We have been able to accomplish much in the way of restoration of this County property through the Works Project which is now nearly at an end, due to lack of funds for its continuation. Much more worth while work could be done here; we specifically recommend new floors to replace worn out ones; a modern refrigeration plant and a sprinkler system for greater safety against fire hazards and lower insurance rates.

On another page you will find a list of our crops for the past year which we believe were very good, considering the long and severe drought of the past season.

We are still under State and Federal supervision for Bangs' disease in our dairy herd. While we are not yet accredited, we have lost very few animals during the year and at the present time, have no reactors that we know of. We have reason to feel proud of our standing in the Dairy Herd Improvement Association in which this institution has held membership for several years. During the months of June, July and August, we had the highest record in the state on a three time milking basis. In June we produced 56,120 pounds of milk with 1924.7 butter fat. In July we had 56,556 pounds of milk with 19841.6 butter fat and in August we had 58,995 pounds of milk with 1967.3 butter fat. While these were the three highest months, our production for the year was 563,783 pounds of milk with 18890.3 butter fat. (

At the present time, we have 48 milking cows, 3 bulls and 47 heifers which we are raising. Our records show our cost of feed for the year was \$6,429.04 and the value of our product over feed cost, \$10,490.26. All the products of our dairy are used here in the institution where our inmates have plenty of milk and cream for all necessary purposes.

We are culling out the low producing cows and from our herd, we have slaughtered 4,146 pounds of beef; also 1,247 pounds of veal from calves which we did not wish to raise, all of which has been used in the institution.

In the course of our duties, we have endeavored to cooperate with the State Board of Welfare and all other agencies and individuals concerned with the welfare of our people.

Our chaplains, Rev. Ovila W. Delisle and Rev. Thomas C. Brewster, have continued to minister to the spiritual needs of our people. Again we wish to commend to you gentlemen and to the public, the unselfish and devoted work of Father Delisle who ministers to approximately three hundred persons, many of whom through the misfortune of disease, poverty or delinquency, have temporarily or permanently fallen out from the militant ranks of society. Rev.

Mr. Brewster has at all times, given spiritual counsel and cheer to all who required his ministrations.

To these men of God and to all agencies and individuals concerned with the spiritual and temporal needs of our people, we extend our sincere thanks.

We wish also to thank Miss Moore, Superintendent of the hospital, and all members of the hospital and medical staffs for their kindness to us, and also all our officers and employees who have given us their cooperation in this our common cause.

THOMAS J. LARGY,
Superintendent,

MARY W. LARGY,
Matron.

REPORT OF THE COUNTY SOLICITOR

Manchester, N. H., June 7, 1940.

*To the Honorable Board of Commissioners of the County
of Hillsborough, New Hampshire:*

MY DEAR SIRs:

In re: Report of County Solicitor

I submit herewith my report as County Solicitor from the January Term 1939 to date.

I am pleased to report that practically all criminal cases with exceptions of recent current appeal cases, have been disposed of. There are some cases still dormant on the criminal docket, however, but in such cases the respondents have not been apprehended, or they are incarcerated in prisons, jails, or other institutions.

The records will show a substantial amount has been collected in fines and costs.

I have issued many complaints and warrants returnable to the Justices of the Municipal Courts throughout the County, based mostly on misdemeanors; several complaints based on bastardy charges have been instituted, which are pending in the Superior Court. These cases have been brought to relieve the County or towns from supporting children born out of wedlock. Such cases being quasi-criminal, I have not rendered a detailed report.

I again desire to express my gratitude and thanks for the very fine co-operation of Sheriff Richard M. O'Dowd, and his deputy, Thomas F. O'Brien, as well as Chief of Police, James F. O'Neil, and his department, also Chief of Police Ralph A. Stearns of Nashua. These men have rendered to me valuable assistance.

It has been a pleasure to serve as Solicitor with such men

who stand ready, willing and anxious at all times to render valuable assistance when requested.

I am also grateful to Thomas Cheney, Attorney-General, and his valuable and alert assistant, Frank Kenison, for services rendered in the Supreme Court.

Report follows:

Term	Indictments	Appeals	Informations
January Term, 1939	64	12	1
April Term, 1939	27	97	3
September Term, 1939	77	19	2

Respectfully submitted,

J. VINCENT BRODERICK,
County Solicitor.

REPORT OF HOSPITAL SUPERINTENDENT

To The Honorable Board of County Commissioners:

The following is a report of the Hillsborough County General Hospital School of Nursing for the year ending December 31, 1939:

Number of students enrolled in the schools	
December 31, 1939	38
Number of 1st year enrolled in the school	15
Number of 2nd year enrolled in the school	11
Number of 3rd year enrolled in the school	12
Number graduated	6

Graduation exercises were held in May. The Rev. Allen Lorimer gave a very interesting address and diplomas were presented to the class by Commissioner Joseph E. Hurley.

A room has been furnished to be used as a practice and demonstration laboratory for the classes. This is a very great help.

The usual classwork has been carried on and lectures have been given by the medical staff. We wish to extend our thanks to the staff, also to the commissioners, Mr. Largy, the nursing staff, the clergy and the public for their many kindnesses.

Respectfully submitted,

ADDIE M. MOORE,

Superintendent.

CHAPLAIN'S REPORT

To the Honorable Board of Commissioners for the Hillsboro County:

GENTLEMEN :

The year 1939 closed as it had begun and continued to be : most gratifying in the eager response of the patients and inmates to the ministrations of the Church. The efficient good-will of the Superintendent of the Farm, Mr. Thomas Largy, and of Miss Addie Moore, in charge of the Hospital, and of their subordinates, has rendered my Chaplain duties easier to perform with better ensuing results.

Useless to put down statistics. They would but weakly show the good work done. What is more telling and to the point is the greater Christian spirit that seems to prevail. Thanks be, under our Blessed Lord, to all and each one who so unselfishly contribute in some way to further the real welfare of all concerned at the Hillsboro County Institutions.

Respectfully yours,

REV. O. W. DELISLE.

Villa Augustina
Goffstown, N. H.
January, 1940.

CHAPLAIN'S REPORT

To the Honorable Board of County Commissioners:

GENTLEMEN :

I hereby gladly report as chaplain of the Hillsborough County Farm.

We have found as usual on the part of Superintendent Largy and Assistant Superintendent Gagnon, the Honorable Board of Commissioners and their helpers, the finest co-operation. The same is true of Miss Moore and the general hospital staff.

And through Divine aid granted to us, we believe we have succeeded in encouraging and helping a goodly number of the inmates of both hospital and farm.

We pray that Divine help and guidance may be vouchsafed to us in the coming year, as in former years. . .

Respectfully submitted,

THOMAS C. BREWSTER,
Chaplain.
